

IS THIS CONFERENCE FOR YOU?

BWSC accepts students of 10th grade high school through college-age who are committed Christians and are eager to deepen their faith.

There are at least five hours of instruction each day in subjects that range from entertainment to science and from history to cultural affairs. This material is challenging, both intellectually and personally. The conference's goal is that each student will leave feeling affirmed in the faith and encouraged in their Kingdom work.

Though the schedule is busy, there is ample time for fellowship and recreation. Past social activities have included various sport activities (volleyball, basketball, ultimate frisbee), heritage dance, and a talent show on the final evening.

WHAT DO PAST ATTENDEES SAY?

"Encouraging, exhausting, and convicting."

"Incredible. Much needed encouragement!"

"Well worth the long trip from Canada."

"It was a life changing week..."

"In one week, I made more, and better friends than in an entire year at college."

Have you ever...

Searched for God's answers

to your questions?

Sought clear explanations

for your beliefs?

Struggled to defend your

faith to skeptics?

This weeklong conference

gives your faith a firm foundation,

teaches you to defend your faith,

and prepares you to face the

challenges of this world.
